CITY OF  
PROSPECT, KENTUCKY

CITY COUNCIL MEETING

August 17, 2015

1 CITY OF PROSPECT, KENTUCKY  
2 CITY COUNCIL MEETING  
3 AUGUST 17, 2015

4 MAYOR EVANS: Welcome to the  
5 August 17, 2015, meeting of the City Council of  
6 the City of Prospect, Kentucky. This is our regular  
7 monthly meeting, and all six members of the City  
8 Council are present.

9 Before we begin the agenda, I would like to  
10 introduce a visitor. Her name is Erin White. She  
11 is running for District Court --

12 MS. WHITE: Yes, sir.

13 MAYOR EVANS: -- Judge. And she  
14 would like to speak with us for about two minutes.

15 Erin, why don't you tell us about yourself.

16 MS. WHITE: Thank you, Mayor. I  
17 appreciate it.

18 MAYOR EVANS: Speak right into the  
19 microphone.

20 MS. WHITE: Yes, sir.

21 My name is Erin White. I am running for  
22 Jefferson District Court Judge. There is only one  
23 judicial race this fall, as they were all re-elected  
24 last year. This is to fill Judge Ste -- Michele  
25 Stengel's seat because she retired.

1       As you may have read in the paper this  
2 weekend, there are 22 candidates for this one  
3 seat. And I am here to introduce myself and to  
4 encourage you to consider voting for me.

5       I'm from Louisville. I grew up in Hikes Point  
6 then Saint Matthews. Went to Ascension and  
7 Sacred Heart.

8       I started out as a social worker. I worked  
9 with kids who were truant and beyond control. And  
10 I kept running into situations where they were  
11 victims of domestic violence, and I wanted to do  
12 more to help them. And that's what inspired me to  
13 go to law school.

14       Since law school, I've been a prosecutor. I've  
15 been a prosecutor for over ten years. I was with  
16 the Commonwealth Attorney's Office for a decade,  
17 and I've been at the Jefferson County Attorney's  
18 Office for almost two years now.

19       At the Commonwealth, I prosecuted serious  
20 felonies ranging from murder and robbery to rape  
21 and child sex abuse.

22       At the County Attorney's Office, I am the sole  
23 prosecutor in charge of all of the domestic  
24 violence and sexual assaults that come through  
25 juvenile court.

1 I believe that because of my unique  
2 background with social work and my over a decade  
3 in the courtroom that I am uniquely qualified for  
4 this position. And I believe I will do an excellent  
5 job.

6 I have had serious trials of every kind of case  
7 that would come before -- criminal case that would  
8 come before a District Court Judge. I know the  
9 law. I know the Rules of Evidence. And I would  
10 like very much to be your next District Court  
11 Judge.

12 What I would encourage all of you to do,  
13 because you're all, obviously, civic minded or else  
14 you wouldn't be here, is to do your research. Look  
15 up all of the candidates, see who's been in the  
16 courtroom, see who has the temperament and  
17 experience to do the job. And I do ask you to  
18 consider voting for me.

19 I appreciate your time. I'm happy to answer  
20 any questions if anyone has any. But, otherwise, I  
21 have some cards with my information on them, and  
22 I would like to leave them, if that would be all  
23 right with the Council and the members.

24 MAYOR EVANS: I have one.

25 MS. WHITE: Yes, sir.

1           MAYOR EVANS: Sounds to me like you  
2 should be running for Circuit Court.

3           MS. WHITE: I would love to do that one  
4 day.

5           MAYOR EVANS: But it's not open, is it?

6           MS. WHITE: That's not open right now --

7           MAYOR EVANS: Well --

8           MS. WHITE: -- no.

9           MAYOR EVANS: -- District Court would  
10 be a start. And maybe you could move on from  
11 there.

12          MS. WHITE: Thank you. I appreciate --

13          MAYOR EVANS: Good --

14          MS. WHITE: -- it.

15          MAYOR EVANS: -- luck.

16          MS. WHITE: Thank you very much. I  
17 very much appreciate your-all's --

18          COUNCIL MEMBER LEONARD: Just one  
19 question: Why are --

20          MS. WHITE: Yes, ma'am.

21          COUNCIL MEMBER LEONARD: -- so  
22 many people running?

23          MS. WHITE: Because it's an open seat  
24 and because of the timing, there's -- doesn't have  
25 to be a primary. So I think a lo -- you know, a lot

1 of people are like, "Whoop, why not; what does it  
2 hurt."

3 But, you know, like I said, I think you should  
4 do research and see who's actually campaigning  
5 and interested in doing the job.

6 So I really appreciate it. If it's all right, I'll  
7 just leave some of these. If you could pass them  
8 on. If anyone's interested, I'd be happy to. . .

9 Thank you-all very much.

10 MAYOR EVANS: Thank you very much,  
11 Ms. White.

12 MS. WHITE: Thank you-all for your time.

13 MAYOR EVANS: We'll turn to the  
14 agenda, and the first order of business is to seek  
15 approval of the minutes of the regular City Council  
16 Meeting held on July 20th, 2015. Those minute  
17 were previously circulated to all council members.

18 Is there a motion by anyone to either consider  
19 revising them, amending them, or approving them  
20 as record?

21 COUNCIL MEMBER TUCCI: Move the  
22 approval.

23 COUNCIL MEMBER MILES: Second.

24 MAYOR EVANS: Moved and seconded  
25 that we approve the minutes as submitted.

1 Any discussion?

2 COUNCIL MEMBERS: [no response]

3 MAYOR EVANS: If not, we'll come to a  
4 vote. And all in favor say, "Aye."

5 COUNCIL MEMBERS: Aye.

6 MAYOR EVANS: All opposed?

7 COUNCIL MEMBERS: [no response]

8 MAYOR EVANS: The ayes have it. The  
9 minutes are approved.

10 Next item on the agenda is the report of yours  
11 truly. It's fairly extensive this month.

12 First, our paving, the first in two years, will  
13 begin this Wednesday. They will do all of the  
14 paving, we understand, Wednesday, Thursday, and  
15 Friday.

16 There is a list of all the streets to be paved,  
17 which was put on the counter behind you. Please  
18 look at it, if you have an interest in that. It's very  
19 long list. There was no paving done last year for  
20 reasons that have been previously explained.

21 We expect to do, in terms of dollars, roughly,  
22 \$320,000 worth of paving this year.

23 In that connection, at the exit to Hunting  
24 Creek, as well as the entrance, there are -- and  
25 this goes back I don't know how many years, but

1 probably 15 anyway -- there are things called  
2 pavers, they're bricks. And, as I understand it,  
3 they were set in sand. And especially on the exit,  
4 many of them have started coming loose and are  
5 sticking up, and anybody who lives in Hunting  
6 Creek and goes in and out of that entrance and  
7 exit knows exactly what I'm talking about.

8 We have two choices; we can have the pavers  
9 repaired -- have it redone, again, with bricks, as  
10 they are now, or in the alternative, we can have  
11 that taken out and have concrete poured in there  
12 and then asphalt put on top of it.

13 The cost of repla -- re -- repairing the pavers  
14 on the exit side only, which is the bad side, is  
15 \$7,800. We don't have a figure tonight for what it  
16 would cost to do the other alternative. But in  
17 talking with Flint Brothers, who's doing our paving,  
18 it sounds like that also is going to be fairly costly  
19 because you have to take the bricks out, then you  
20 have to put the concrete down, then you've got to  
21 pave it. So, as soon as we get a figure for that,  
22 we'll know, you know, the apples and oranges. But  
23 I wanted to throw it open to members of the  
24 council and the audience to express what they  
25 think, if the prices are approximately equal, we

1 should do.

2 COUNCIL MEMBER STOVALL: When --  
3 when was the last time they'd been repaired?

4 MAYOR EVANS: I don't know that ever  
5 have been repaired.

6 CITY ADMINISTRATOR LEVOLD:  
7 They've never been repaired.

8 COUNCIL MEMBER STOVALL: And when  
9 were they installed?

10 CITY ADMINISTRATOR LEVOLD: 25  
11 years ago is what we've decided.

12 COUNCIL MEMBER STOVALL: Okay. So  
13 they're fairly durable, when they're installed  
14 [phonetic]?

15 MAYOR EVANS: Yeah. The ones that  
16 are further down the hill, right before you get to  
17 the traffic light coming out of Hunting Creek,  
18 they're fine.

19 COUNCIL MEMBER STOVALL: M-hm.

20 MAYOR EVANS: And the ones where you  
21 come in Hunting Creek that are down at the  
22 bottom, they're fine.

23 The ones at the top of the hill, where you  
24 come in, they are one or two that could use a fix.

25 COUNCIL MEMBER MILES: And do we

1 think this is related to the rain events or just  
2 coincidental?

3 MAYOR EVANS: I don't know what it's  
4 related to. If I had to make a guess, I would say  
5 maybe since the exit side is so much worse than  
6 the entrance side, it could be the MSD trucks  
7 going out of there.

8 COUNCIL MEMBER MILES: M-hm.

9 MAYOR EVANS: But I don't know. It  
10 could be because they're 25 years old. But I don't  
11 know. It gets a lot of traffic.

12 COUNCIL MEMBER MILES: Right. And  
13 we could use road aid funds to make those  
14 repairs?

15 MAYOR EVANS: Yes, sir. You don't  
16 need to tell me tonight. If you have an opinion,  
17 please share it with me. As things stand right  
18 now, my information is to go ahead and replace the  
19 pavers and just leave it the way it's been.

20 COUNCIL MEMBER TUCCI: I think the  
21 pavers are right at the entrances to each one of  
22 the subdivisions were put in with the notion of  
23 giving some kind of uniformity to the city. And I --  
24 I think that's a good idea. So long as they are  
25 good as we're a kind of sprawling, not very

1 cohesive kind of place, and that gives you some  
2 sort of sense of, oh, I'm in a -- a community  
3 because it's -- whenever I pull in, I'm crossing  
4 this -- this little circle of bricks.

5 MAYOR EVANS: Interesting illusion.

6 COUNCIL MEMBER LEONARD: So  
7 they're -- they exist in all the subdivisions and in  
8 three other places at Hunting Creek, is that what  
9 I'm hearing?

10 COUNCIL MEMBER MILES: I know  
11 they --

12 MAYOR EVANS: I should --

13 COUNCIL MEMBER MILES: -- exist --

14 MAYOR EVANS: -- know that.

15 COUNCIL MEMBER MILES: -- in Fox  
16 Harbor.

17 COUNCIL MEMBER FULCHER: Yeah.  
18 There -- there are four in -- at the entrance, two in  
19 and two out --

20 MAYOR EVANS: Correct.

21 COUNCIL MEMBER FULCHER: -- in the  
22 entrance to Hunting Creek?

23 MAYOR EVANS: Correct.

24 COUNCIL MEMBER FULCHER: And a  
25 que -- a question. You say "Replacing the

1 pavers". But -- but it shouldn't be necessary to  
2 replace them; it should be resetting them or  
3 setting them in a firmer bed is what's required, is  
4 that --

5 CITY ADMINISTRATOR LEVOLD: Right.  
6 Right. They'll just remove them all and they'll  
7 have to reset the whole bed.

8 COUNCIL MEMBER FULCHER: Yeah.  
9 We don't have to buy --

10 CITY ADMINISTRATOR LEVOLD: No.

11 COUNCIL MEMBER FULCHER: -- 100%  
12 of the pavers?

13 MAYOR EVANS: Right.

14 COUNCIL MEMBER FULCHER: We might  
15 have to buy a bushel full or something?

16 MAYOR EVANS: Yeah.

17 COUNCIL MEMBER FULCHER: Is that  
18 correct?

19 CITY ADMINISTRATOR LEVOLD: That's  
20 correct.

21 COUNCIL MEMBER LEONARD: Yeah.  
22 I -- I have a feeling it should be with the wide  
23 resealing [phonetic].

24 MAYOR EVANS: Well, I wanted to alert  
25 you to that cost of this thing, \$7800 is \$7800. Of

1 course, when you put it on top of \$320,000 for all  
2 the paving we're about to do --

3 COUNCIL MEMBER LEONARD: Well,  
4 but --

5 MAYOR EVANS: -- it makes it --

6 COUNCIL MEMBER LEONARD: -- it --

7 MAYOR EVANS: -- seem a --

8 COUNCIL MEMBER LEONARD: -- it  
9 would --

10 MAYOR EVANS: -- little bit less.

11 COUNCIL MEMBER LEONARD: -- cost  
12 something anyway --

13 MAYOR EVANS: Yes.

14 COUNCIL MEMBER LEONARD: -- right?

15 So --

16 MAYOR EVANS: That only costs -- it  
17 might cost more to take them out and put down  
18 concrete. We don't know that figure.

19 COUNCIL MEMBER LEONARD: So  
20 we're -- it's not like we're saying we spend that  
21 much; we're spend -- spending something more --

22 MAYOR EVANS: You have to do  
23 something because it's getting to where the bricks  
24 are just laying there.

25 COUNCIL MEMBER FULCHER: Is it only

1 the exit? I thought that there --

2 MAYOR EVANS: The exit is much worse  
3 than the entrance.

4 COUNCIL MEMBER FULCHER: Yeah.  
5 There's --

6 MAYOR EVANS: The entrance needs  
7 some help, but the exit is the bad one.

8 COUNCIL MEMBER FULCHER: Then  
9 wouldn't it be prudent to do it all at once?

10 MAYOR EVANS: Yes. Yeah.

11 COUNCIL MEMBER FULCHER: Entrance  
12 and exit, where -- wherever they are disruptive.

13 MAYOR EVANS: Right.

14 COUNCIL MEMBER FULCHER: Yeah.

15 COUNCIL MEMBER LEONARD: Well,  
16 unless they're not bad, and then we could do them  
17 next year.

18 THE REPORTER: I didn't hear what you  
19 said; I'm sorry.

20 COUNCIL MEMBER LEONARD: I said,  
21 Unless they're not bad, and they could be done  
22 next year.

23 COUNCIL MEMBER FULCHER: Now I  
24 think the way -- in my experience with pavers is,  
25 you know, that it's just progressive; if you've got

1 one bad one, pretty soon you have three, and then  
2 you've got -- it's exponential.

3 MAYOR EVANS: Yeah, Frank, I think  
4 you're right.

5 COUNCIL MEMBER FULCHER: That's  
6 the way -- that's because of the way they're  
7 interlocked.

8 MAYOR EVANS: Right.

9 COUNCIL MEMBER MILES: Especially  
10 going through the winter, it might --

11 COUNCIL MEMBER FULCHER: Yes.

12 MAYOR EVANS: Second, the snow  
13 removal contract has been put out for bid, and the  
14 bids are due September 14th at noon and will be  
15 opened at 5 p.m. We've received one bid so far.  
16 We expect at least one more. We will see.

17 We are seriously contemplating hiring a new  
18 full-time maintenance person. The reason is that  
19 the needs of the city for maintenance are beyond  
20 the capabilities of the people we have now. In  
21 addition, one of those two people is working at it  
22 half time; that's Mike Lesch. Mike is our Code  
23 Enforcement Officer, and he does a very good job  
24 at that. I could site you examples. We are  
25 contemplating doing some office restructuring in

1 terms of personnel responsibilities, which would  
2 put more work in the office on Mike Lesch.  
3 Specifically, we're thinking about turning over to  
4 him, and training him to do, the business licenses,  
5 the building permits, the liquor licenses, those  
6 kinds of things. And that will take more of his  
7 time.

8 But even if we weren't going to do that, the  
9 maintenance needs of the city are such that what  
10 we've got now can't handle it.

11 We also have started doing some of our own  
12 mowing, and we have a -- a lawn mower now, a big  
13 one. I forget the brand of it, but you've heard it.

14 COUNCIL MEMBER MILES: Scag.

15 MAYOR EVANS: Yeah. And they've been  
16 out doing some of the mowing. And the more  
17 mowing we can do, the more we will be able to  
18 save in the future on our mowing contract. So  
19 that's going well.

20 This will require a budget amendment. We  
21 plan on proposing a budget amendment at the next  
22 meeting. It also will include some other things,  
23 and I wanted to put those on the table tonight.  
24 One of them is up in Bridgepointe. Bridgepointe  
25 has an irrigation system. It is totally inoperative.

1 It can't be fixed. It needs to be replaced. In  
2 order to replace the entire thing, it will cost,  
3 approximately, \$70,000. Whether we replace the  
4 entire thing or we replace part of it is an open  
5 question. But either way, that's going to be an  
6 additional expense that was not contemplated  
7 when we proposed and Council adopted this year's  
8 budget.

9 Another item is our garbage contract. As  
10 things stand right now, the budget that we have in  
11 force is, approximately, \$20,000 short of paying  
12 Rumpke for the services we've contracted for as  
13 they stand.

14 We need some money for overtime adjustment.  
15 Let me explain why. This year the 4th of July came  
16 on a Saturday. This year we didn't have Edwards  
17 as our landscaping contractor and Bob Edwards --  
18 or Bob Kurtsinger and his folks, as part of what  
19 they would do, they used to clean up after the  
20 fireworks.

21 We had several city employees out on the  
22 Hunting Creek Golf Course at 6:00 Sunday morning  
23 cleaning up the debris from the fireworks. In order  
24 to continue to set our fireworks off using club  
25 property, we have to keep them happy, and that's

1 one of the things we have to do because the  
2 golfers get out there at 7 or 7:30 Sunday morning  
3 and don't want to see all that stuff laying around.  
4 So that was something that we had to do. And if  
5 we get a new full-time maintenance person, we  
6 need a salary line adjustment for that.

7 So I just wanted to tell you the things that we  
8 have in mind before we just march in here a month  
9 from now and lay down a proposed budget  
10 amendment. And that will give everybody on the  
11 council a chance to communicate with me and with  
12 Holly in any way you see fit about what you think  
13 about what I've just said.

14 Let's turn our attention to the flooding and  
15 drainage issues. As announced in the most recent  
16 city newsletter, there will be a public meeting here  
17 Thursday night starting at 7:00 with MSD's CEO,  
18 Greg Heitzman, with their chief engineer, Angela  
19 Akridge, and another individual whose name that I  
20 don't remember, and all interested residents. And  
21 I expect we will have a packed house. And the  
22 reason I expect that is because I have here --  
23 which is known a demonstrative exhibit, Jeff --

24 COUNCIL MEMBER STOVALL: It is.

25 MAYOR EVANS: -- and these are the

1 emails that I have received. You can see how  
2 thick it is. And we've made a list. There is over  
3 50 -- there are over 50 of them. They come from  
4 all of the neighborhoods, possible exception of  
5 The Landings.

6 LAURA \_\_\_\_\_: There was one from the  
7 landings.

8 MAYOR EVANS: Was there?

9 LAURA \_\_\_\_\_: M-hm.

10 MAYOR EVANS: Thank you, Laura.

11 There was one from The Landings. There are  
12 12 from Fox Harbor, 18 from Sutherland, 15 from  
13 Hunting Creek. I could go on. There's one from  
14 Bridgepointe that I remember.

15 This is a serious, serious problem. If you  
16 read these emails, you would understand that it is  
17 very serious. Some of these problems involve raw  
18 sewage in the flood water entering people's  
19 homes. Sometimes as many as three different  
20 occasions. My saying it doesn't capture, no pun  
21 intended, the aroma of some of these emails that  
22 I've received. Now, most of them don't involve  
23 sewage, but some of them do. A lot of them  
24 involve huge amounts of water knee deep ruined --  
25 I mean, \$6,000 in damage to this, \$7,000 of

1 damage to that, on and on and on.

2 Holly and I went down -- no, Holly wasn't  
3 there for the first one. I went down to an  
4 MSD board meeting about a month ago with  
5 ten other residents, most of them from Fox  
6 Harbor, Gunpowder Lane, and we sat through  
7 two-and-a-half hours worth of MSD board meeting,  
8 which I don't recommend. And at the end of that,  
9 they heard from us.

10 And I told Mr. Heitzman a little bit of history.  
11 I said, "I was city-attorney here in the '90s when  
12 MSD sued Prospect in Federal Court and State  
13 Court because they wanted our sewer systems and  
14 we didn't want to give them to you. And after two  
15 or three years of litigation, we brought in outside  
16 council that was expert in environmental litigation  
17 and so on. We -- Lonnie Falk and Gordon Garner  
18 wound up settling the matter. And then I took that  
19 proposed agreement and vetted with their general  
20 counsel, Carolyn Shane [phonetic], and it was  
21 entered into.

22 And pursuant to that, MSD assumed  
23 responsibility for all of our sewage matters and for  
24 all of our flood water matters." And then I  
25 stopped. And I looked at Mr. Heitzman, and I said,

1 "Have I said that correctly?"

2 And he said, "Yes; you have."

3 And I said, "Okay. Fine. Then we have  
4 established that these things are MSD's job and we  
5 are here asking MSD to do its job."

6 Since then, Holly and I have been down there  
7 to meet with him again, with their chief engineer  
8 and so forth. And they proposed having a public  
9 meeting, which is the one coming up this  
10 Thursday.

11 And I have announced that in the newsletter  
12 and the -- and -- and -- and this is what we've got.  
13 And I asked everybody to email their letters to Mr.  
14 Heitzman with a copy to me, which is why I have  
15 all of these.

16 And so they will be here Thursday night, and  
17 we'll see what happens. So that's where we are  
18 with that.

19 Finally, two more things. Officer Elgin Price  
20 who is a full-time officer on the police force, he  
21 was injured; he was rear-ended on July 24th of last  
22 year. Officer Price has not been able to come  
23 back to work. He's medically not allowed to come  
24 back to work. He's been getting workers'  
25 compensation all this time, which as it should be.

1 The law allows us, after an officer has been out  
2 for a year and can't come back, to say, okay,  
3 thanks very much, we're going to move on. If you  
4 are ever able to work again and you want to  
5 reapply, you can do that. So, I sent that letter to  
6 Officer Price within the last week. We are in the  
7 process of bringing in, yet, one more part-time  
8 officer. We already have one that we hired a week  
9 ago, I guess, James Rice. So that's the situation  
10 on that.

11 Finally, we wanted to talk a minute about the  
12 Fall Festival coming up in October. And since  
13 you're tired of hearing my voice, I'm going to ask  
14 Holly to say something.

15 CITY ADMINISTRATOR LEVOLD: Fall  
16 Festival is October 26th, and we've expanded quite  
17 a bit this year. And we're looking for volunteers  
18 from all the sul -- subdivisions. Like, last year we  
19 had the Bridgepointe Trolls and the Fox Harbor  
20 Fox and Hounds and some zombies and things like  
21 that. So I just wanted to get the word out there  
22 that we're looking for volunteers to work the trail.  
23 Maybe, Nancy, you'd want to do that.

24 [laughter]

25 CITY ADMINISTRATOR LEVOLD: So --

1     yeah, but it was -- it was so well received. We  
2     had so many people walk the haunted trail last  
3     year. It was a big hit. And this year we've made  
4     it much larger. So, I think it will be excellent.

5             MR. SPEAKER: You're going to have two  
6     aren't you?

7             CITY ADMINISTRATOR LEVOLD:  
8     Hopefully. We'll have enough volunteers to do  
9     two; Happy in Candy Land and then a scarier one,  
10    since last year it was mostly scary. And we're  
11    going to divide up so they can choose which one  
12    they want to go down.

13    And at the end of the Fall Festival, this  
14    year we're going to have movie night. We've got a  
15    30-by-40 inflatable video screen, and they're going  
16    to play Bedknobs and Broomsticks for all the kids.  
17    So we think that will go over very well.

18    So, if anybody wants to volunteer, you can  
19    contact me or Laura.

20             COUNCIL MEMBER SCHMIDT: What was  
21    the date again?

22             CITY ADMINISTRATOR LEVOLD:  
23    October 26th.

24             COUNCIL MEMBER SCHMIDT: Okay.

25             CITY ADMINISTRATOR LEVOLD:

1 Saturday.

2 COUNCIL MEMBER FULCHER: So,  
3 that -- it's -- it's right here?

4 CITY ADMINISTRATOR LEVOLD: It's  
5 right here next to City Hall.

6 MAYOR EVANS: Can I come dressed as  
7 a vampire?

8 CITY ADMINISTRATOR LEVOLD: Yes.

9 MAYOR EVANS: Move on to the  
10 committee report.

11 Any questions for me about anything I've  
12 said?

13 COUNCIL MEMBERS: [no response]

14 MAYOR EVANS: From anybody?

15 COUNCIL MEMBER FULCHER: The  
16 Bridgepointe irrigation, 70,000.

17 MAYOR EVANS: Yeah.

18 COUNCIL MEMBER FULCHER: Is -- how  
19 firm is that?

20 CITY ADMINISTRATOR LEVOLD: We've  
21 got --

22 MAYOR EVANS: That's the only bid  
23 we've gotten so far.

24 COUNCIL MEMBER FULCHER: It's based  
25 on a bid?

1 CITY ADMINISTRATOR LEVOLD: Yeah.

2 We've got two more coming.

3 COUNCIL MEMBER FULCHER: Okay.

4 That's fine.

5 MAYOR EVANS: But that gives you an  
6 idea. We'll see.

7 Parks and Public Lands, who's -- Stuart -- I  
8 guess Stuart.

9 COUNCIL MEMBER MILES: Yeah, I'll do  
10 that one. He's out of town.

11 We have a couple things going on. We're  
12 having a volunteer workday this Saturday. And  
13 we're going to be working on the Orange Trail,  
14 which is really, really close to being open. And  
15 we're going to be mulching the new trees that we  
16 planted last year. And we're also going to be  
17 working on connecting the Orange Trail to the Blue  
18 Trail in preparation for opening of it. And we'll  
19 probably do a little sprucing up as well. And that  
20 will be Saturday at 9 a.m. to noon.

21 We have two Eagle projects that are in various  
22 stages of happening. We have one Scout that just  
23 started on building the next section of boardwalk  
24 at Putney Pond, which is going to effectively  
25 connect Putney Pond to Little Hunting Creek Park

1 across the Wetlands. And that will probably be  
2 two or three more weeks of workdays to finish that.  
3 It's a pretty ambitious 24-foot project.

4 We have another Scout who's gotten approval  
5 to do the trail marking on the Green and Red Trail  
6 in Harrods Creek Park. And he hopes to have that  
7 done within the next three to four weeks. And  
8 once that's done, all of the trails in Harrods Creek  
9 Park will be marked with tenth of a mile markers  
10 and trail insides. So that will be a really ready  
11 thing to have done there for all kinds of reasons.

12 We have some other Scout projects that are in  
13 the works. Scouts looking to build benches that  
14 we will put in Harrods Creek Park, the benches  
15 that we've been doing. And other Scouts who are  
16 looking at doing information kiosks in Harrods  
17 Creek Park, in the new section we're opening, and  
18 also building -- continuing to build on the  
19 boardwalk that is just being started.

20 That's all the news that is at this point in  
21 time.

22 Oh, also, the -- the Mayor did chose to let  
23 MSD, on -- upon our recommendation, do the  
24 gravel parking lot at Harrods Creek Park. On  
25 advice of engineer, he felt that while we might

1 have gotten a little bit of extra area graveled, the  
2 fact we're having the same contractor who's doing  
3 the -- preparing the site do the gravel is -- is  
4 recommended because if there were a problem, we  
5 wouldn't have two contractors pointing fingers at  
6 each other. So he thought that was the best way  
7 to go. And they are almost done with that task.  
8 So they're -- they will probably be done by the end  
9 of the week with both the path and the gravel  
10 parking lot down there. And it's really, really  
11 exciting because you can now see what it's  
12 going -- the finished product is going look like.

13 MAYOR EVANS: Great. Thank you.

14 COUNCIL MEMBER MILES: You're  
15 welcome.

16 COUNCIL MEMBER LEONARD: What was  
17 the difference in cost?

18 COUNCIL MEMBER MILES: Well, the  
19 engineer felt that we would've gotten -- you know,  
20 instead of -- right now it's going to be 60 by 90,  
21 which will hold about 20 cars. And he thought, you  
22 know, we might've gotten an extra, you know, two  
23 or four cars in there. And he just felt that that  
24 extra number of cars wouldn't have made up for if  
25 you got in there and there was a problem of

1 settling and what have you or drainage, that, you  
2 know, it's just cleaner not having one contractor  
3 point at the other and them blame each other for  
4 it.

5 MAYOR EVANS: If I understood the  
6 question, though, it's a question about cost and I  
7 don't -- I'm not sure I understood the question.  
8 Were there alternatives?

9 COUNCIL MEMBER LEONARD: Well,  
10 the -- the -- the way it was presented to us at the  
11 last meeting was that it was cheaper, potentially.

12 COUNCIL MEMBER MILES: Right. It  
13 was ba -- you know, basically, what could you get  
14 for the same money.

15 COUNCIL MEMBER LEONARD: Right.

16 COUNCIL MEMBER MILES: And in -- and  
17 in the end, it wasn't enough to take the risk of --  
18 of having the finger pointing happen.

19 MAYOR EVANS: All right.

20 COUNCIL MEMBER MILES: And then --  
21 yes.

22 COUNCIL MEMBER STOVALL: When will  
23 that parking lot be open?

24 COUNCIL MEMBER MILES: It will be  
25 open after we widen the road, which will be the

1 next project that we do. And we're -- we're waiting  
2 to -- I'm looking to see if we can get a bid from  
3 another contractor. I've got to talk to Holly about  
4 that. And -- and then I want to compare those two  
5 to see which would be the best.

6 MAYOR EVANS: Is that it?

7 COUNCIL MEMBER MILES: Yep.

8 MAYOR EVANS: Thank you.

9 Mr. Tucci, Forestation Board.

10 MR. TUCCI: Just to follow-up on Tom's  
11 topology [phonetic] report, we did the sa -- a  
12 little walk through -- along the Harrods Creek Park  
13 trail that has been created by the MSD sewer line  
14 for a couple of miles with Dale. And we're  
15 handling -- and I think we walked most of the park  
16 [phonetic]. And we surveyed the -- the act --  
17 the -- the trees we put in last year, about 120  
18 trees.

19 That area was flooded massively, at least  
20 twice. But we only lost maybe 10% of the trees,  
21 something like that. Apparently, all of the red  
22 bun -- buds and a few chick picks [phonetic]. So  
23 we'll put those in this year. We are planning to  
24 put in about 105, 110 small container type trees,  
25 same as we did before, plus several burlap balled

1 trees around the parking lot. That's what we were  
2 just talking about [phonetic]. And we will spend  
3 about the same amount of money, total, as we did  
4 last year, about \$20,000 [phonetic] or so.

5 Yet, we're in the process of identifying actual  
6 sites and the cost of these trees, and we'll -- we'll  
7 make another report later [phonetic]. But that's --  
8 that's where it goes.

9 And we haven't seen -- well, we lost about  
10 10% of the trees, a lot of the other ones got --  
11 some of the other ones have grown -- have far  
12 more than expected, probably because of the -- the  
13 flooding.

14 COUNCIL MEMBER MILES: Yeah.

15 MR. TUCCI: They got a lot of water so  
16 they --

17 COUNCIL MEMBER MILES: They did get  
18 a lot of water. They -- actually they were flooded  
19 at least four times.

20 MR. TUCCI: The next time we have,  
21 we're working on the giveaway trees for Arborfest.  
22 Last year we gave away 70 trees, and that was a  
23 very popular. In fact, we'd announced that would  
24 go from 9 to 12. When I got there at 8:30 in the  
25 morning, there were people standing in line to get

1 their trees. So this year we're planning to give  
2 away about 100 trees. And that -- that's a project  
3 in progress.

4 And then another thing, we've been getting  
5 some help recently by our good Code Enforcement  
6 Officer, Mike Lesch. He's taken over indent --  
7 writing the homeowners who have hazardous trees.  
8 The process is, if someone said, "Is the tree  
9 hazardous?"

10 Our -- our arborist looks at it and says, "Yes,  
11 it is," or "No, it isn't."

12 And the Forestation Board votes to act on the  
13 tree if it's hazardous. And then, I'm, like, Mike  
14 Lesch [phonetic] writing the homeowner saying,  
15 "Please take this tree out or otherwise remedy the  
16 situation"; okay?

17 And we're working on three new hazardous  
18 trees. And we have promises from two other  
19 homeowner or property owners to clear up trees.

20 And that's about it. No more [phonetic].

21 MR. KEHLBECK: What's the date on  
22 Arborfest?

23 MR. TUCCI: I think October 18th. It's on  
24 the city calendar. Whatever that Saturday is.

25 MR. SPEAKER: The 17th.

1           MAYOR EVANS: Lee, you're a hard  
2 worker, and I want to thank you for what you're  
3 doing and the committee do.

4           MR. TUCCI: Thank you.

5           MAYOR EVANS: Yeah, Carolyn?

6           CAROLYN \_\_\_\_: I have a question.  
7 There is a dying or dead tree, it's a Japanese  
8 Maple.

9           MR. TUCCI: Yeah.

10          CAROLYN \_\_\_\_: It was kind of pretty --  
11 I always loved that tree. I loved the --

12          MR. TUCCI: Yeah.

13          CAROLYN \_\_\_\_: -- the deep, red leaf,  
14 and it's so --

15          MR. TUCCI: Yeah.

16          CAROLYN \_\_\_\_: -- pretty in the fall  
17 and in the spring. And I just wondered what the  
18 plan is to replace that tree?

19          MR. TUCCI: Where is the tree?

20          CAROLYN \_\_\_\_: It's in the very  
21 entrance of -- to Hunting Creek, in the -- just to --  
22 in -- in the, like, the --

23          MR. SPEAKER: Median.

24          CAROLYN \_\_\_\_: -- median.

25          MR. TUCCI: Okay.

1 CAROLYN \_\_\_\_: At the very front.

2 MR. TUCCI: Okay.

3 CAROLYN \_\_\_\_: The very front.

4 MR. TUCCI: Okay.

5 CAROLYN \_\_\_\_: Near the Christmas  
6 tree, you know, that we decorate.

7 MR. TUCCI: We can -- we can ask  
8 Andrea to look at that. And why not [phonetic].  
9 We're going to -- we're planning on doing some fall  
10 planting that's separate from what I was talking  
11 about --

12 CAROLYN \_\_\_\_: Yeah.

13 MR. TUCCI: -- that we had budgeted for  
14 it.

15 CAROLYN \_\_\_\_: Well --

16 MR. TUCCI: I really --

17 CAROLYN \_\_\_\_: -- I mean, the leaves  
18 have already --

19 MR. TUCCI: Yeah.

20 CAROLYN \_\_\_\_: -- shriveled and --

21 MAYOR EVANS: Yeah. We're going to  
22 take that out, Carolyn, and it'll be replaced in  
23 November, when -- is when you plant the trees.

24 CAROLYN \_\_\_\_: Yeah. Yeah. I just  
25 wondered if there was any plan of what to -- what

1 to put in there?

2 MAYOR EVANS: I think we'll probably  
3 put in the same thing.

4 CAROLYN \_\_\_\_: That would be great.  
5 Thank you.

6 MR. TUCCI: Anything else?

7 MAYOR EVANS: All right. Thanks, Lee.

8 Now, Sandra, could you make two reports  
9 while you're on the microphone, Library and  
10 history updates.

11 COUNCIL MEMBER LEONARD: One of  
12 the council people at a prior meeting asked me,  
13 Mr. Fulcher, asked me for some numbers. And I've  
14 spent a lot of time recently at the computer  
15 looking at the library program. And when I'd get  
16 bored, I'd see what I could do with some of the  
17 things. I'm going to bring you a little report next  
18 time.

19 But, essentially, there are 829 people who  
20 have library cards. And last month 88 people took  
21 out 358 items, which, in all honesty, was more  
22 than I realized we had. The bulk of our people  
23 take out fiction, but it was 69%. And I thought  
24 that that number would be higher. So, next month  
25 I'll actually make my numbers look better, and I'll

1 bring them in and talk to you about them.

2 We have a used book sale coming up October  
3 18th, the same day at Arborfest. So if you want to  
4 clean out any shelves, we'll be happy to have your  
5 books. And we also will take audiobooks, if you've  
6 got them, too, and children's books. I always need  
7 children's books.

8 In addition to that, on September 16th, we're  
9 going to have a library event where author, James  
10 Prichard, who wrote a book on Frankfort,  
11 Kentucky, during the Civil War will come and talk  
12 to us about what -- his book and -- and what he  
13 found out. I've heard him before. He worked at  
14 the Filson Club for a very long time and  
15 researched, and he's actually an interesting  
16 speaker. So we would encourage to you come. I  
17 know somebody who'd like to know what time it is.  
18 All I can tell you is I remember it's in the early  
19 part of the afternoon, like 2:30. So we'll get  
20 something out on that.

21 That's about it for the library. We got 51  
22 audiobooks, and they've been going out like crazy.  
23 So we will definitely focus on that with the money  
24 that we get from the next book sale.

25 In regard to the history book, there's some out

1     there, I've given all the council members. At the  
2     last council meeting, I was talking about the  
3     history book. And one of the people who was here  
4     was a young reporter from the Oldham era. And he  
5     called me up and was interested in what we were  
6     doing, and two really good things came out of that  
7     conversation. Number one, he interviewed the  
8     mayor and one of the volunteers on the committee  
9     and myself and put an article in the newspaper.  
10    That article has resulted in all kinds of interesting  
11    things coming in.

12         Today, I talked to a man in Caldwell, Idaho,  
13    who had read the article and gave me a story  
14    about Morgan's Raiders coming through here, a --  
15    a small component of their whole group. And so  
16    that will probably be something that if I can verify  
17    any part of it would be in the book.

18         But in addition to that, I've had -- it's always  
19    hard to get anything factual because either we  
20    weren't around and didn't exist and, therefore, we  
21    have to look at other places. We need names to  
22    do that. And some of the phone calls that are  
23    coming in are giving me names so we can actually  
24    go back and verify something that took place  
25    before we were a city.

1       In addition to that, I had two people call me  
2       and offer me some old books that they've collected  
3       which have information in them. So it's -- it's  
4       really -- it's been a lot of fun.

5       We also have gone through -- City Hall's  
6       records in the old days are like everybody else's.  
7       They're dirty old papers that are not in particularly  
8       good order, that have got all kinds of drywall dust  
9       and stuff like that on them. But one of them really  
10      was terrific; it was the very first document that  
11      this city ever sent out to its residents, and we've  
12      got that. Our first Mayor was Mr. Pfau, and he  
13      wrote very well. So there's a lot of information  
14      just in some of the boring things like annual  
15      reports and whatnot.

16      Anyway, there are -- we've had two more  
17      people volunteer to help us with the book just  
18      since the last time we met. So things are coming  
19      along well.

20               MAYOR EVANS: All right. The  
21      landscape and beautification effort, we are having  
22      a committee meeting. We haven't had one in a  
23      while. We're having one this Thursday at 3:30.  
24      Ms. Leonard will be there to enlighten the  
25      committee about the trees along the south side of

1 42 and the water company's new pipeline and the  
2 arrangements we've made with them.

3 Andrea Hanlon will be there. She is out here  
4 several times a week inspecting everything that  
5 the landscaping company does and sending three-  
6 and four-page documents called "field notes" to  
7 them saying, you know, "Fix this bush and how  
8 about this over here." It's very detailed and very  
9 lengthy, and she is on them all the time.

10 I don't have any new projects to report this  
11 month. But maybe after the next committee  
12 meeting I will.

13 Beyond that, we have the committee on  
14 environmental services. Frank, I always leave you  
15 to last. I don't mean anything by it.

16 COUNCIL MEMBER FULCHER: We plan  
17 on having a meeting on Wednesday at 3:30.  
18 We're, essentially, in a -- still in a fact-finding  
19 mode. We're going to -- trying to get our hands  
20 around what all the variables are relative to those  
21 type of services.

22 MAYOR EVANS: All right. Chief?

23 CHIEF SHERRARD: It was a very quiet  
24 month for us. There's not really a lot of signifi --  
25 significant activity to report. Just a couple of

1 reports tha -- of interest, we did have one incident  
2 where some counterfeit money was presented to  
3 one of the local businesses. However, it was very  
4 isolated, and it was just one bill. So I believe that  
5 the person that actually passed that bill didn't  
6 realize that it was counterfeit when they presented  
7 it. It was an older man that had it, so. . . And  
8 we -- there's been no other incidents where  
9 they've had anymore pass, so I believe that that  
10 was just an isolated case, and we don't have a  
11 situation where people are just out doing it.

12 We had some vandalism at the country club  
13 where -- over a Saturday evening. Some people  
14 threw a bunch of the lawn furniture and stuff into  
15 the swimming pool, threw a couple of flower pots  
16 and everything. So they just loaded up the  
17 swimming pool with stuff.

18 We had a couple of thefts from autos. Again,  
19 cars that were left unlocked. The first one that  
20 just had a purse and contents taken out of it. The  
21 other one was a little more significant in the sense  
22 that after they got inside the car, they took the  
23 garage door opener and then opened up the  
24 garage. So what started out as a simple theft  
25 became a burglary because they entered the

1 garage. However, the victim was fortunate they  
2 didn't enter the house, that they just went right  
3 inside the -- another car inside the garage and just  
4 took some cash out of that car.

5 So I wish people would learn to lock their  
6 cars. Because that's just -- and if you're just  
7 going to leave a garage door [sic] in there, I mean,  
8 you've just given somebody a gateway to your  
9 house. So if we could stress anything, it would  
10 be: Please lock your car; don't make it any easier  
11 than it already is.

12 That's really it for the reports.

13 We had two more identity theft issues, one of  
14 which was a -- another -- they found out after the  
15 fact somebody had filed an income tax return in  
16 their name, and then they find out from the IRS  
17 that it's already been done.

18 As the Mayor said, we did hire another  
19 part-time officer, James Rice. Twenty -- I think,  
20 21- or 22-year veteran. He started out with  
21 Jefferson County Police, eventually ended up with  
22 Metro Police. Extremely personable; once  
23 everybody around here meets him, I can assure  
24 you you're going to -- you're going to be very fond  
25 of him. He's a great guy. He's -- he's never met a

1 stranger; he's extremely friendly. He'll fit in very  
2 well. He spent the majority of his career as a -- at  
3 the patrol officer level and then became a  
4 detective. In the last two years that -- that he  
5 worked for Metro, he was the -- on the security  
6 detail for Mayor Fischer, so. . .

7 That -- that's all I have.

8 COUNCIL MEMBER MILES: Chief, would  
9 it be possible to get a list, with pictures and  
10 names, of the officers that we could have just so --  
11 you know, I'd like to do a better job of putting a  
12 face to a name when I see them.

13 COUNCIL MEMBER LEONARD: That's a  
14 nice idea.

15 CHIEF SHERRARD: Yeah.

16 COUNCIL MEMBER FULCHER: Yeah.

17 MAYOR EVANS: Yeah. We'll do that.

18 COUNCIL MEMBER MILES: There's so  
19 many new ones, I can't -- I just can't keep up.

20 CHIEF SHERRARD: I had thought about  
21 putting everybody's picture -- they do this with --  
22 with the U of L police, that they put actual  
23 photographs of all the officers on the website,  
24 where you can -- you list everybody, all the  
25 personnel. Because it's not like we have a -- that

1 many people. But you can actually put a  
2 photograph of every officer that works for the  
3 police department. So that would be click on  
4 thing.

5 COUNCIL MEMBER MILES: I think that  
6 would be a good idea, because if somebody sees  
7 an officer who does something well and they want  
8 to commend them, that's a way they can --

9 CHIEF SHERRARD: Right.

10 COUNCIL MEMBER FULCHER: M-hm.

11 COUNCIL MEMBER LEONARD: We don't  
12 have pictures on the website of everybody else,  
13 though.

14 COUNCIL MEMBER MILES: We have our  
15 pictures.

16 COUNCIL MEMBER LEONARD: Yeah.  
17 But there's a lot of pictures we don't -- I don't  
18 know. I -- I -- I would like to know them, but I  
19 don't know if I think the --

20 COUNCIL MEMBER TUCCI: Well --

21 COUNCIL MEMBER LEONARD: --  
22 world --

23 COUNCIL MEMBER TUCCI: -- I might  
24 just base this there in the newsletter [phonetic] --

25 COUNCIL MEMBER LEONARD: -- should

1 know them.

2 COUNCIL MEMBER TUCCI: We don't  
3 have to get to know them all -- all in one --

4 COUNCIL MEMBER LEONARD: That's  
5 true.

6 COUNCIL MEMBER TUCCI: -- day  
7 [phonetic].

8 COUNCIL MEMBER LEONARD: That's a  
9 good idea.

10 COUNCIL MEMBER TUCCI: So, you  
11 could have a little, sort of, feature. And in the  
12 course of ten months --

13 COUNCIL MEMBER LEONARD: M-hm.

14 COUNCIL MEMBER TUCCI: -- we  
15 would've covered everybody.

16 CHIEF SHERRARD: I don't know if you  
17 want to do a monthly profile.

18 COUNCIL MEMBER TUCCI: Yeah.

19 CHIEF SHERRARD: You could pick a  
20 couple each month.

21 COUNCIL MEMBER TUCCI: Yeah.

22 COUNCIL MEMBER FULCHER: What  
23 would be the impediment to putting it on the -- the  
24 website?

25 COUNCIL MEMBER LEONARD: People in

1 Thailand can pull it up.

2 MAYOR EVANS: What's that again?

3 COUNCIL MEMBER LEONARD: Well, if --  
4 when we put it on the website, it -- it -- it goes out  
5 to the world.

6 MAYOR EVANS: Is that bad?

7 COUNCIL MEMBER LEONARD: I don't --  
8 well, to some extent it could be. I don't know.

9 COUNCIL MEMBER MILES: They're  
10 looking at me in Thailand?

11 MAYOR EVANS: Why would anybody in  
12 Thailand actually care [phonetic]?

13 COUNCIL MEMBER LEONARD: Well, I  
14 don't think they would, but that's not --

15 MAYOR EVANS: They never lived with us  
16 [phonetic].

17 COUNCIL MEMBER LEONARD: -- the  
18 point.

19 MAYOR EVANS: -- Prospect. All right.  
20 New business? Any new business?

21 COUNCIL MEMBER FULCHER: Did we --  
22 did we close that subject? I'd like to hear what --  
23 I think Stuart's suggestion was good. Because I --

24 MAYOR EVANS: Well, I like the idea of  
25 putting a couple in the -- two or three in the

1 monthly newsletter every month and getting them  
2 known around the community that way.

3 I don't see any problem putting them on the  
4 website. If somebody in Thailand sees it, what do  
5 they care; they don't know where Prospect is. But  
6 you can tell me.

7 But we will put it in the newsletter. I like that  
8 idea.

9 COUNCIL MEMBER MILES: If I -- I  
10 mean, if you could --

11 CHIEF SHERRARD: Okay.

12 COUNCIL MEMBER MILES: -- just give  
13 me a cheat sheet as well, while you're doing that,  
14 just so I could have them all.

15 COUNCIL MEMBER FULCHER: That's  
16 what I would like, also.

17 MAYOR EVANS: Okay.

18 COUNCIL MEMBER LEONARD: Me, too.

19 COUNCIL MEMBER FULCHER: All at one  
20 time.

21 COUNCIL MEMBER LEONARD: Me, too.

22 MAYOR EVANS: Okay. I just didn't want  
23 to overburden you.

24 COUNCIL MEMBER FULCHER: Okay.

25 MAYOR EVANS: I know. All right.

1 Comments from citizens; anybody have anything on  
2 their minds they want to talk to their council or me  
3 about?

4 Joe Kehlbeck?

5 MR. KEHLBECK: I want to address the  
6 council this evening on a financial matter. Joe  
7 Kehlbeck, 7812 Cedar Ridge Court, Prospect.

8 The finances of the city are fine and everyone  
9 is very happy about what's taking place, especially  
10 last year, when we came in with 342,000 under the  
11 budget, which is really commendable to the effort  
12 that -- that you put in.

13 MAYOR EVANS: That was under  
14 revenues, I think [phonetic].

15 MR. KEHLBECK: Pardon?

16 MAYOR EVANS: That was the difference  
17 between revenues and expenses --

18 MR. KEHLBECK: Yeah.

19 MAYOR EVANS: -- was the 342-.

20 MR. KEHLBECK: Well. . . So the 342-  
21 goes over into reserve.

22 And if you look at the city and what we're  
23 spending money on, we spent 2,956,000 last year  
24 on the whole operation, doing everything, the  
25 police department, the total cost. And if you look

1 at what do we have in reserve, reserve is now  
2 2,079,000. So, basically, you could shutdown  
3 receipts and still operate until about September  
4 the 1st.

5 My question is -- my concern is, I guess, is:  
6 What are we going to do with this money? We  
7 certainly are not getting much in interest at  
8 Republic Bank. And what we need to do is to  
9 either come up with ways of providing more actions  
10 that are of benefit to the ci -- citizens of the city  
11 or give tax cut. Because we're in -- in a situation  
12 where we've just got too much darn money and  
13 we're not doing anything with it. And I just bring  
14 that up.

15 I did mention bef -- once before about  
16 spending money on a parking lot, increasing the  
17 parking lot and increasing -- let's see here, what  
18 was it -- oh, sidewalks.

19 And I had another one. We -- I look at the  
20 paper every Sunday on transfers. And the City of  
21 Prospect has very few transfers. 40059 has a lot,  
22 but very few actually taking place within the city  
23 limits. My suggestion is that we really look at how  
24 can we do a better job of promoting Prospect and  
25 the features that we have, the trails and whatever

1 we can, to -- so that when people are looking,  
2 they're not looking down at the Commons and  
3 rushing down there and buying homes, that they're  
4 also considering buying a home within the city  
5 limits of Prospect.

6 And those are my comments tonight. But I  
7 do -- am concerned that we've got \$2 million  
8 sitting there practically with no interest or very  
9 little at Republic.

10 COUNCIL MEMBER MILES: Well, Joe, on  
11 the promoting Prospect, I've already been talking  
12 with Luke about forming a com -- committee, with  
13 the Mayor's approval, to look at doing that very  
14 thing and how we can promote it and how residents  
15 sell their houses quicker and get more for them.

16 MR. KEHLBECK: Good. I would hope  
17 that we can effectively utilize these funds to  
18 provide services. But I don't -- you know, we --  
19 sure, we'd all like a tax decrease. I, for one, am  
20 real [phonetic] conservative when it comes to  
21 taxes. But at the same time, if we had an  
22 opportunity build the City of Prospect up in the  
23 eyes of people who are here and those that  
24 potentially are coming.

25 MAYOR EVANS: Those are all good

1 points, and I appreciate your comments.

2 And it's one of the reasons why I want to beef  
3 up our maintenance department. As I drive  
4 around, I see street signs that I can hardly read.  
5 And I'm not going to go complain to Ron Cundiff  
6 because Ron's too damn busy; he's just always  
7 doing something. And we need more help.

8 If we do some of the mowing ourselves, we  
9 can save some money that way. But that takes  
10 people.

11 The sidewalks is something you and I need to  
12 talk about tomorrow at lunch; okay?

13 COUNCIL MEMBER TUCCI: I think the  
14 \$70,000 for repairing irrigation is actually just a  
15 symptom of the fact that some parts of the city are  
16 getting old.

17 MAYOR EVANS: Right. We're --

18 COUNCIL MEMBER TUCCI: And -- and  
19 so the reserves that -- that we've sort of built up  
20 in -- to be biblical, in the fat years -- when the  
21 lean years come, when irrigation systems fail, it's  
22 good to have that money there. It would be nice  
23 if, in the meantime, we could make interest on it,  
24 but nobody around here has figured out how to  
25 make any interest lately.

1       The other option is to open a Neiman Marcus  
2 here, and then we can all go spend some of the  
3 money.

4           COUNCIL MEMBER LEONARD: We don't  
5 want box stores.

6           COUNCIL MEMBER SCHMIDT: That's a  
7 nice box store.

8           MAYOR EVANS: Any other comments --

9           COUNCIL MEMBER TUCCI: Yeah.

10          MAYOR EVANS: -- any other comments  
11 from any citizens?

12          THE AUDIENCE: [no response]

13          MAYOR EVANS: Well, that's the end of  
14 the agenda. There's no more new business and no  
15 more comments from citizens, so I guess we'll  
16 entertain motion to adjourn.

17          COUNCIL MEMBER MILES: So moved.

18          COUNCIL MEMBER FULCHER: Second.

19          MAYOR EVANS: Moved and seconded.

20 All in favor?

21          COUNCIL MEMBERS: Aye.

22          MAYOR EVANS: All opposed?

23          COUNCIL MEMBERS: [no response]

24          MAYOR EVANS: We're adjourn.
