ELECTION 2014

The City of Prospects 2014 Election Special Edition

There's a chill in the air and all the colors are starting to show. Its that time of year again! No we're not talking about the Autumn and the leaves. We're talking about election time and all the accompanying signs! We are pleased to present to you the candidates for the office of Mayor of Prospect. For your convenience we have tried to supply some of the who's, what's and why's concerning the mayoral race. Also, inside you will find your 2015 City Council that will be sworn in on January 1st. As always we encourage everyone to get out this November 4th and make your opinion count!

City of Prospect Involvement: Current Mayor since July, 2013; formerly served as Mayor, three terms on City Council, two terms as City Attorney, and as City Clerk.

Why I want to continue to serve Prospect as Mayor:

The night I was sworn in, I said my door would always be open, and it has been. Fiscally, we were under budget last year, and are headed the same way this fiscal year. Our office staff is working well. We also now have a landscaping consultant and volunteer committees concerning landscaping, Prospect's history, environmental services, and finances, plus the Mayor's Advisory Committee. We have a great new website. Our relations with the Prospect Area Chamber of Commerce are excellent. The Mayor's Office and the operation of the entire City government is and will continue to be completely transparent!

The job of Mayor is a full-time job. An essential part is that, when a resident has a problem, the Mayor should be there to address it. I have the time to give to it, and I enjoy it. I ask for your vote so that I can continue the work I have begun. Thank you.

City of Prospect Involvement: Current City Councilor

Why I want to serve Prospect as Mayor: Two years ago I ran for City Council to restore transparency and fiscal responsibility back to Prospect. We have made great strides in accomplishing this on the Council level. It's now time to restore fiscal responsibility and transparency in the Mayor's office. With your vote again, we can put Prospect back where it needs to be. Thank You!

City of Prospect Involvement: Chair of Ad Hoc Committee to Study Prospect Regulation of Nuisance Conditions; Member of Advisory Committee to Mayor, Parks and Recreation Committee, President and Co-Founder of "Friends of Prospect Parks", non-profit organization; Volunteer at Arbor/Mayor Day

Why I want to serve the City of Prospect as a Council Member:

My main goal is to work with the citizens of Prospect, fellow council members, staff and the Mayor to keep Prospect as one of the best cities in Kentucky. In order to achieve this goal, I would like to be a bridge between citizens and the council to help keep the citizens of Prospect informed of how our local government works as well as help make the entire governmental process an amicable one, rather than adversarial. I believe I would bring a fresh, new, enthusiastic prospective to the city council and, in the next two (2) years, it will be my goal to get younger professionals involved in our City Government and to tap into the potential of our younger residents.

City of Prospect Involvement: Prospect City Council, incumbent. City Council Liaison to the Parks and Recreation Committee, driving force behind the creation of Putney Pond and Woodlands and Harrods Creek Park, leader of dozens of volunteer work days in City Parks, successful co-writer of \$350,000 grant for Parks system, member of nuisance ordinance committee, volunteer for Prospect 4th of July, Fall Festival and Arbor Day celebrations. Past chair of Prospect Green 2010 Committee.

Why I want to serve the City of Prospect as a Council Member:

I want to continue the work I have done the last eight years to improve the quality of life and property values for Prospect residents. This work includes building a beautiful parks system for our city with over 130 acres of land and five miles of hiking trails. I will also continue my work to connect the city with pedestrian/bicycle trails so our residents can walk and bike safely between neighborhoods and to our stores and restaurants. I take my position on the City Council very seriously and put forth the same level of effort and attention to detail as I do in my job as a social scientist.

Sutherland Neighborhood

Educational Background: Bachelor of Science, Biology, Boston University; Doctor of Laws, Glendale University

City of Prospect Involvement: Currently - Prospect City Council, incumbent; Prospect Library, Chair; Prospect History Book, Chair; Website Committee; Environmental Services Committee; Landscaping and Beautification Committee; Sutherland Block Watch, Captain. Previously - Ohio River Bridges Project meetings, attended for more than ten years; Deer Committee; Public Tree Inventory; Emergency Preparedness Committee; Ordinance Review Board; Mayor's Advisory Committee.

Why I want to serve the City of Prospect as a Council Member: Prospect is changing. I believe we need to plan for our future so we can maintain the best of our present. I believe we need to be visionary. A solution to US 42 dividing our city will not come from standard responses. I will continue to listen to Prospect residents and the business community so that my actions reflect your concerns. I have worked hard for Prospect and will be honored to have your vote on November 6.
